23.2. AFRICA. Fill in the blanks:

deserts - ~~continent~~ - live - capital - longest - languages - growing - animals - highest

Africa is a*continent*... of contrasts. There are mountains,, forests, grasslands, and big cities. Many wild..... live in Africa; some are becoming rare. Mount Kilimanjaro is Africa's mountain. The biggest city is Cairo, theof Egypt. The river is the Nile. Africans have different ways of life and many Most Africans in small villages. But industry and cities are rapidly.

23.2. Delete the bad alternative:

An **old / young** merchant is trying to initiate his **grandfather / son** into the secrets of the economy. "Everything that is **clear / rare** is **expansive / expensive**. A good horse is **bad / rare**, that's why it's **expensive / bad-tempered**."

"But Dad," the son **agreed / contradicted**, "a good horse that is cheap is **rarer / a donkey**."
