

## My PC

Cursor, keyboard,  
monitor, mouse.  
There's a personal computer  
in my house.  
Cursor, keyboard,  
monitor, mouse.  
I like that PC in my house.

It's user friendly,  
if you try.  
But don't forget to switch on  
the power supply.

*not user friendly*

## In Hospital

Kenny's on crutches.  
Cathy's in a cast.  
Willie's in a wheelchair,  
moving fast.

Sally's on a stretcher.  
Bobby's in bed.  
The nurse has a blanket  
and a pillow for his head.

Andy's in an ambulance.  
So is Pete.  
They were driving too fast  
on a one-way street.

Freddy has a fever.  
Frankie has the flu.  
The nurse is getting nervous,  
because the doctor's coughing, too.

## Weather Report

Will it rain today, or will it snow?  
Don't listen to the forecasters.  
They don't know.

When the weatherman says,  
„We won't have rain,“  
we'll probably get a hurricane.

He promised us sunshine,  
and what did we get?  
We got very, very wet.

## Harry Loves Mary

Harry loves Mary,  
but Mary loves Jim.  
He loves her,  
but she doesn't love him.

Jimmy loves Sally,  
but Sally loves Tim.  
Tim's in love with Jenny,  
but she can't stand him.

Jack's in love with Penny,  
but she doesn't care.  
She's in love with Benny.  
Love isn't fair.

Benny doesn't love her.  
He's in love with Fay.  
Happy Valentine's Day. Oh, yeah!  
Happy Valentine's Day!

**St. Valentine's Day** on 14 February is the date for exchanging love messages, poems and simple gifts such as flowers.
