IGLOO ENGINEER EAGLE RAT

- Something that you aim at and try to hit when you are shooting or throwing something.
- ...*hamster*..... A small brown animal, that has smooth fur and a very short tail. Some people keep them as pets. They can store food in their cheeks.
- A large bird that hunts and eats small animals. They live in mountain areas.
- A person who is travelling in a bus, train, ship, or aeroplane.
- Someone who makes machines, or plans the building of roads and bridges.
- Not far away.
- A small, round house that is made of blocks of hard snow.
- The seat that you sit on when you are riding a bicycle or a horse.
- Letters, cards, and parcels that are sent through the post and delivered to people's houses.
- A very big piece of ice floating in the sea.
- Someone who belongs to a gang that robs and kills people.
- A bird that is kept on farms for the eggs that it lays.
- Someone who is between thirteen and nineteen years old.
- A piece of land with water all round it.
- A mistake.
- A curved band of different colours you see in the sky when the sun shines through rain.
- Someone who steals things.
- A strong hat that you wear to protect your head.
- A stick with a pointed end, which you shoot from a bow.
- A book that tells a long story.
- A big, fierce sea fish that has sharp teeth and hunts and kills other fish to eat.
- A man in stories who uses magic.
- A room with desks, where people work.
- An animal that looks like a large mouse.
- A book where you write down the things that you do each day.
- The dark shape that forms on the ground when something is blocking out the lights.

H

(first letters from up to down: a proverb)
