

Hugo is in a hurry.
 His aunt Susan is coming to visit him.
 Susan likes clean rooms.
 She doesn't like rubbish in and around the house.
 Susan is going to arrive in the afternoon.
 So Hugo tidies up his room, the kitchen and the toilet.
 He puts all the rubbish into plastic bags.
 Now the bags are full.
 They are stuffed.
 They are too heavy.
 The plastic bag is bursting.
 Oh dear! What a mess!
 The doorbell rings.
 Who is coming to see Hugo?
 Aunt Susan, of course.
 She is never late.
 Sometimes she even arrives before time.

What don't you throw into the dustbin?

a banana peel	an empty tin	a new watch	a broken vase	a faded rose
my cell phone	an old umbrella	an original Picasso	used hankies	a rotten apple
fish bones	a love letter	a golden ring	some money	your laptop
his new bike	nutshells	chocolate wrapper	a pearl circlet	cigarette butts
