

Oh, it doesn't taste poisoned to me!
Hey, this ice is thick enough to walk on!
Please trust me, I know what I'm doing!
Don't worry, they'll never find us in here!
Yes, the barrel of your shotgun is very clean.

This gun isn't loaded.
He's bluffing.

I can't smell anything burning.
 I can't hear anything ticking.
 The light is green!
 This isn't a real grenade.
 This magic rock will protect me.
 That's not an active volcano.

They can't hit us at this range!

All you have to do is connect these two wires.
